Bleatings

IT SEEMS AS though we can expect a lot of interest during the coming City Council election. As of now, there are 20 persons who have applied for nomination papers. However, only three have filed. And we have heard that there may be a couple more candidates. We think this is healthy. We now hope that each of these candidates will express his views and ideas of what he expects to accomplish if elected. In other words, we hope this will not be another popularity contest.

THE PRESS was referred to as a "funny paper" by the Mayor during the last Council meeting. We just thanked the Mayor for his remark. After all, with some of the goings on during many of these meetings, we have heard many comical things and have attempted to report them as we saw them. And the items continue to come out funny. Shucks, we remember a councilman referring to the meetings as a "Mickey Mouse operation".

OVER A CUP OF coffee people can come up with some fantastic ideas. While talking with Ira Kirkorian and Paul Landwehr the subject of a YMCA for the West Valley residents was discussed. We think the idea is terrific. We have the population to warrant a well organized operation such as this. Paul will be checking into this as to the "how do you go about it". But if you are interested or have any knowledge in "local" YMCA, let us know and we may be able to get us all in one room to discuss it.

THIS YEAR THE Chamber is looking for a Miss Campbell, Queen of the Old Settlers Day, who lives in Campbell. So any of you dolls that are interested should sign up at the Chamber of Commerce office. To be chosen will be a great experience, but to enter should be a lot of fun.

THE RUSSIANS WILL have one heck of a time burying us if we have many guys like Bill Means around. In our opinion they (the Russians) have a lot to learn about brainwashing and a good place for them to learn would be at Bill's Campbell Drugs. Brainwashing is probably not the best choice of words for our story, but it is just what we thought of as the incident happened. In this country we call it loyalty, salesmanship and we personally would like to add just plain doing a good job for the boss.

ONE NIGHT LAST WEEK while we were walking along the sidewalk we ran into Gerry Bradford and her husband. Gerry is one of the sales girls at the Campbell Drugs. After the introduction to her husband she proceeds to give us a sales pitch on a box of Valentine candy. We didn't get a look at what we purchased until it was opened at home several days later.

SHE SOLD US the candy without even a sample, heck, she didn't even have a counter, she was about a half mile from the store and it was a couple of hours after closing time. She is our nomination for the salesgirl of the month. But all of the time the sales pitch was being thrown at us we could see Bill's training.

New appointments announced by Campbell School District

The Board of Trustees of Campbell Union School District has made the following appointments effective July 1, 1964:

Claude Walsh, present vice-principal at Campbell and Cherry Lane Schools, promoted to principal at Hamilton School.

George Ingram, present vice principal at Blackford School, promoted to principal at Rosemary School.

Bob Downing, present teacher of a special education class at Moorpark School, has been appointed vice principal at Cherry Lane School. Downing was formerly a principal at Lynhaven School, but resigned to move to Colorado.

Mrs. Velma Blyther, now teaching seventh grade at Cypress School, has been appointed vice principal at Cypress.

Transfer of three principals was approved by the board: Jim D'Avis from Hamilton to the new Castlemont School, under construction at Castlemont and Payne Avenues. Mark Jennings from Sherman Oaks to the new Capri School, under construction at Virginia Avenue and Chapman (now Steinway) Avenue. Adrian Cibilich from Rosemary to Sherman Oaks School.

Trustees also approved the Moorpark School sixth grade camp program for spring, 1964. They asked the administration to draw up further guidelines for the program prior to next year's request for approval.

The board accepted Rolling Hills School and Rolling Hills School Addition #1 as substantially complete.

The February 4 fire at Cherry Lane School led the board to declare it an emergency and order repair of damage to the ceiling, walls, roof and floors of the primary section in the northwest wing of the school.

Thursday noon, February 20, is the final date for filing as a candidate for the Campbell City Council, according to Mrs. Dorothy Trevethen, City Clerk. The election is scheduled for Tuesday, April 14. Three seats will be vacated on the Council this year. So far, four residents have announced their intention of entering the race. They are Dr. Edward J. Rogers, 130 Branbury Drive, who is seeking re-election: William Mertsching, 439 Sunberry Drive: Elmer Blakey, 875 Torrero Plaza, and John Billmeyer, 151 Marianna Way.

Dr. Rogers, who is a professor of political Science at San Jose State College, has served on the Council since 1960. Mertsching, a real estate salesman with offices in Los Gatos, was an unsuccessful candidate for the City Council in 1955.

Blakey, an engineering firm employee, was formerly employed by the Campbell Engineering Department. Billmeyer is a public relations employee for the San Jose Merchants Associations. He has lived in Campbell for the past six years.

Local hospital to have fire drill next week

The Campbell Community Hospital will stage a fire drill on February 26, to test its present fire plan. The nursing service will give advance orientation to patients emphasizing that the drill is for practice only and no cause for alarm on their part. Campbell Community Hospital is equipped with automatic sprinklers which would instantly go into operation if the temperature within the hospital should rise to a level indicating presence of fire. The Campbell Fire Department recently demonstrated the use of fire equipment for hospital personnel. Staff members learned how to handle fire extinguishers and discussed evacuation of patients in case of fire.

Citations given to jaywalkers

Police Chief John Morgan has ordered his department to issue citations to persons jaywalking in downtown Campbell. The order became effective last week. Courtesy warnings have been given to the public for the past two months, Chief Morgan said, and he indicated there will be no more warnings given. Thus far five citations have been issued by Campbell Police Officers since February 12. The Police Department is also giving a closer check to parking violations in the downtown area.

Chief Morgan urges the public to use the crosswalks and avoid accidents and traffic problems. He also pointed out that the public can set a good example for children in the community by obeying the law and using the crosswalks.

Attendance boundaries set for Campbell High Schools

With the opening of the new Westmont High School in September, 1964, the Campbell Union High School District will adjust attendance area boundaries for the western half of the district. Boundaries for Campbell, Blackford, and Westmont High Schools were established by the Board of Trustees in its meeting February 4.

The basic pattern of the new zones is established by the district policy that students living within an approximate one-mile radius of a given school will walk to that school. Seventy-one per cent of the students attending these three schools now are "walkers". Of the remainder, those who reside north of Blackford will go to Blackford; those who live directly south of Campbell will ride to Campbell; and those who are located west of Saratoga Avenue will be divided between Westmont and Blackford along Lassen Avenue.

In a special "transition zone", located east of Saratoga Avenue and between the Blackford and Westmont walking circles, students who have been enrolled at Blackford will continue at that school while those entering the ninth grade next year will be shifted to Campbell. In this way, over a four-year period students from this area will all be enrolled at Campbell.

As a result of the opening of the new school, all of the schools will have enrollment large enough to insure a well rounded program, but not so large as to over burden facilities.

Inquiries regarding the assignment of specific addresses should be directed to the high schools involved.

Editorial

Know your men!

Tomorrow is the filing deadline for the local City Council race. Three seats are involved in the election to be April 14. Thus far one incumbent has filed for reelection, and it seems as though six other names may appear on the ballot. During the few weeks until the election it should be the duty of each voter to acquaint himself with as many candidates as possible. The voter should, in our opinion, be prepared to ask questions relating to problems he, the voter, may have interest in.

We also feel that each candidate should be prepared to offer the voters his ideas and thoughts of plans for Campbell's future.

In the past each candidate has walked into the Press office to express his views on various matters. We plan to welcome each one. However, we also plan to have a sort of questionaire for each candidate in order that we can become better acquainted with his views.

One of the questions we like to ask is, "Why does he seek the City Council post?" We just happen to believe this is important. For one thing, unless a candidate sincerely has the interest of Campbell at heart, he cannot be prepared to make the sacrifices the job demands. In our opinion, if he does not have the courage of his convictions, he will not be able to offer suggestions or speak his mind in a meaningful manner.

It has always been our contention that the electorate deserves the type of government it receives, be it local, state or national. Usually our first question to anyone expressing disagreement with any branch of government is: "Did you vote?" We ceased being amazed at the number answering "no".

With the forthcoming election it boils down to the phrase, "speak now or hold your peace" for two years. However, if we speak now, we can continue our discussions after the election.

And we sincerely hope that the electorate will speak loud and clear.

This beautifully conceived novel is based on the life of a famous Kentucky frontier preacher, a man who was a pioneer in two ways. His life on the frontier was one of Lordship, high adventure, frequent danger, and tragedy, tempered with deep happiness and achievement. But Raccoon John Smith was also a pioneer in the movement toward Christian Unity a century and a half before today ecumenical movements. It is a thrilling and inspiring story.

Facts for voters booklet available

A new edition of "Facts for Voters"... compiled by the League of Women Voters of Central Santa Clara Valley...is off the press, it was announced this week by Mrs. Richard Koepke, Voters Service chairman.

The comprehensive guide to voting and election procedures includes laws governing Campbell, Cupertino, San Jose, Santa Clara, Sunnyvale, the County, and area school districts.

Superintendents of school districts are listed, as well as the five-man board of county supervisors, and their meeting dates.

Data on voter qualifications was gathered from city clerks, county registrar, county clerk of the board of supervisors and the county superintendent of schools office. LWV members of the Voters Service committee who interviewed officials for the information included Mrs. Victor Rogers and Mrs. Robert Lawson of Sunnyvale, Mrs. Morey Goldstein of Santa Clara Mrs. D.B. Letters to the Editor

Dear Sir

Regarding the view of Campbell from the Freeway, here's a suggestion: Why not suggest that the townspeople--in cooperation with garden club or any other civic group--pay for and plant a row of trees adjacent to the Freeway to screen the hideous rubble and dumps along the creek? Our town has a "black eye" because of this. Let's all help improve this spot!

REPRESENTATIVE IN CONGRESS
TENTH DISTRICT, CALIFORNIA

The Civil Rights skirmish in the House has ended with the real battle still to come in the Senate. For nine full days and late into each night the House engaged in its longest, most spirited, and best humored debate in eleven years.

Contrary to what one would expect from an issue so heavily charged with emotion as Civil Rights, tempers were not frayed when the long ordeal ended. As almost 81% of Republicans and 61% of the Democrats voted for the final bill late in the night of February 10, bitter opponents from the deep south clasped hands in a gesture of good will with liberals from the north.

As with any comprehensive and far-reaching bill, nobody will be completely satisfied. So with 138 of my Republican colleagues and better than 60% of the Democrats, I supported the bill in the belief that it was necessary and in the national interest. The evidence is overwhelming that Negroes in the south have been denied their right to vote and southern officials and judges have not seen fit to enforce the law. This made new regulations necessary.

Pressures from both sides of the controversial issue were tremendous. But for the avalanche of mail which preceded the Landrum-Griffin Labor Reform Bill, Civil Rights would probably have been the top correspondence producer of all time.

The gallery was filled with eager young college students, many of whom were "lobbying" for the first time. Their purpose was to urge Members to stay on the Floor and defeat "crippling amendments". But the greatest problem we had in staying on the Floor of the House was caused by these young zealots calling us off the Floor. Most Congressmen wanted to conclude the debate and found the interference more provoking than helpful.

This was my third Civil Rights debate. In 1957 and 1960, during the Eisenhower years, we passed bills for which great things were predicted. The same glowing predictions are being made about this one. It will help, as the others have, in the promotion of equal rights under the law. But to predict that injustice and discrimination on the basis of race will disappear as a result of a law is unrealistic and cruel.

The Senate will certainly dilute the House passed bill and emasculate certain of its sections. Southern leaders are acting strangely. Some say an arrangement has already been made.

Thirty states, including our own, have tougher laws than the one we passed last week and they have not solved the problem of discrimination. No law will be the millennium. Americans must individually accept personal responsibility for that which lies beyond what a law can do. Our clergy, which has been so active in promoting a legislative approach to morality, must not forget that the pulpit is the surest platform from which it can be taught. Parents, too, have a responsibility.

In the final analysis the most important battle in the cause of Civil Rights will be fought in the conscience, mind, and heart of every human being.

Advisory Committee reports WVJC bond issue

In light of the $16 million bond issue on March 10th for the WVJC., the Citizens Advisory Committee for the District report on the "Why" and "How" a local Junior College is being planned. It is the policy of the California legislature that every student will reside within a junior college district. Because of this, the WVJC district was created by the voters on January 8, 1963, and it is now responsible for providing a junior college education for those students desirous of further education after high school. Therefore a board of trustees was duly elected in June, 1963 and they are now attempting to provide the highest quality education at the least expense to the taxpayers. Their first step was to select Dr. Wallace W. Hall as Superintendent-President of the college. Dr. Hall is undoubtedly the most qualified man in the state for this position. For the present year, the Board had to send the students to other districts for which it has budgeted $1.6 million for seat charges. A very beneficial arrangement for the district was negotiated by the Trustees with these neighboring districts for these charges with the condition that a bond issue would be passed in 1964 indicating the willingness of the WVJC voters to support their own program and and that provision would be made for the 1964 freshman class in local temporary quarters. Therefore temporary quarters have been rented from the Campbell school district for this purpose. Second year students and students unable to obtain the program they desire can enroll at a nearby college which best provides the courses they need. This institution will continue to receive a seat charge from his home district.

If the bond issue is passed, the district will be able to build a permanent campus which will handle all the students and the tax money will stay in our own district. The District Trustees guarantee that the present tax rate of approximately 54 cents will not be increased to pay off these bonds.

If the bonds do not pass the seat charges by other district will of necessity go up because of overcrowding of their facilities. These charges along with the continual increase of land and construction costs will result in an increase in the present tax rate at a very early date.

With these initial decisions made, the Board then appointed a Citizens Advisory Committee which made an intensive study on the projected district enrollments, campus requirements, and the district's financial situation. Architects were interviewed by the Board and Reid & Tarics of S. F. and Higgins & Root of Los Gatos, were selected from 40 applicants. With the aide of the architects on structural cost, the Citizens Committee then determined the amount of the bond issue with the following breakdown:

A. Site acquisition, $1,500,000.

B. Total construction costs, including buildings, utility lines, site development, grading & improvements, $12,700,000.

C. Material testing during construction, $100,000.

D. Inspectors, $30,000.

E. Furniture and movable equipment, $1,100,000.

F. Assessments, fees and other costs, $1,284,000.

G. Estimating contingency, $226,000.

Total $16,980,000.

It is expected that state and federal funds, which will be outright grants, will absorb the difference between the total costs and the $16 million requested in the bond issue.

A recent report on unemployment figures stated that 1-2 years of public education beyond the high school level is of vital necessity in the country today for two reasons: the first being that youth will be kept out of the labor forces for a longer period of time and secondly these same youth will be learning a skill that will be of great value in providing for their future.

Junior College to place signs

West Valley Junior College district was granted permission by the Campbell Union School District to place signs on the Campbell Grammar School grounds. One will face Winchester Boulevard, the other face Campbell Avenue. The signs will state "Future Campus West Valley Junior College, Opening School Date September 14" and will include a telephone number for information purposes.

Negotiations on the lease of the Campbell School are now concluded, and CUSD Business Manager C.E. Bradley is working with the county counsel's office in drawing up the lease.

WVJC begins hiring faculty

Moving on toward operation this fall, trustees of West Valley Junior College last night gave the green light to the recruitment of faculty. Pres. Wallace W. Hall said the college will need an estimated 45 full-time instructors this fall, based upon an expected enrollment of 1,250 full-time students.

"Our recruiting of faculty is just beginning," Pres. Hall told the trustees, "and we already have approximately 400 applications. We should be able to obtain instructors with excellent qualifications. The search for faculty members will continue throughout the spring months and a complete staff will be ready for the opening in September."

SOCIAL SECURITY

Questions and Answers

Q.-I have a household employee who has worked for me for the past year. I did not know that her earnings were subject to social security taxes, and I have never reported her earnings. What should I do?

A.-You should visit your nearest social security office immediately, and they will make arrangements for you to report her earnings.

Q.-I applied for social security benefits several years ago when I became 65, but I was told I had not worked long enough under social security at that time. Would it do any good to check again?

A.-Yes, you should check with the social security office at 1010 The Alameda, San Jose, California. Amendments to the law in recent years have lowered the eligibility requirements.

Q.-I decided not to retire before age 65. I have worked full time up to my 65th birthday, and cannot yet decide whether to apply for my social security retirement benefits. What do you suggest I do?

A.-Visit your nearest social security office, even if you are still working at your regular job. It is now possible to receive some social security benefits even though you earn well over $1200 a year.

Q.-I plan to move across the street from my present address. Since I will have the same postman, should I notify social security?

A.-Yes, notify social security and the post office of your new address so there will be no possibility of a lost benefit check.

Q.-I am 68 years old and I earned wages of $600 a month for many years. It is almost certain that I will be laid off about two months from now. Would it be a good idea to file my social security claim now, even though I am still working?

A.-Yes. Applying now will establish your benefit rights and make sure your checks will start promptly when you stop working.

Mr. and Mrs. Dennis Hann married in Saratoga

Mr. and Mrs. John G. Watson drove from Vancouver, British Columbia, Canada, to attend the wedding of their daughter, Elaine Dawn Watson and Dennis Gordon Hann of Campbell on January 25. The late afternoon ceremony was performed by the Rev. Alfred G. Glass in the Saratoga Federated Church.

The bride, who was given in marriage by her father, was lovely in a formal gown of white brocade featuring the Empire silhouette. The gown was designed with a Sabrina beaded neckline, long fitted sleeves, and a flowing Chapel train. Her bouffant veil was held in place with a satin pill box headpiece. She carried a bouquet of lilies of the valley centered with an orchid.

Miss Maureen Horgan of San Francisco was the honor attendant. Her yellow brocade gown was fashioned with a bell shaped skirt, with matching shoes and headpiece. She carried a bouquet of yellow carnations. The bride's sister, Miss Margaret Rose Watson was the maid of honor. Her gown, styled like that of the maid of honor, was in green satin and she carried green carnations.

Duane R. Hann served as best man for his brother and ushers were Edward Tonini Jr. and Joseph Tonini, step brothers of the bridegroom.

Following the nuptials a champagne supper was served to a large gathering of friends and relatives at the Los Gatos Lodge. Following a wedding trip to Santa Cruz, the young couple are now making their home in San Jose.

The new Mrs. Hann is a graduate of Burnaby North High School and is now employed with the California State Automobile Association.

The bridegroom is the son of Mrs. Edward J. Tonini of Campbell and C. Gordon Hann of Santa Clara. Dennis is a graduate of Campbell High School and is now a student at Foothill Junior College.

Who's the fairest of them all?

Sugar and spice and everything nice—that's what Miss Campbell is made of. To say nothing of poise, talent, beauty and personality.

The March 1 deadline for Miss Campbell contestants to file their entry blank request with the Campbell Chamber of Commerce, 33 No. First Street, finds several entries already competing for the title of Miss Campbell of 1964.

All girls between the ages of 17 and 22 and residing in Campbell are eligible for the title race. Chairman Ken Stephenson, assisted by co-chairman Jerry Fitzsimmons, assured all parents that the contestants would be closely chaperoned and that the girls would be judged on appearances in evening wear. street wear and sportswear—but no bathing suits.

With the contest entries limited to the residents of Campbell, the interest is running high. The lovely miss to hold the title will represent Campbell in many city and county affairs and will be given the opportunity to compete in the Miss Santa Clara contest. Fame and fortune await Miss Campbell who will start her duties by reigning over the Campbell Old Settlers Celebration May 14-17.

Women Voters to hear speakers on redistricting

A general membership meeting on county redistricting has been scheduled by the League of Women Voters of Central Santa Clara Valley for March 5 at the Calvary Methodist Church in San Jose. Proposals for re-drawing the district boundaries will be presented by their backers, and then LWV members will decide whether to support either proposal, or offer a different solution to the problem.

County Supervisor Ralph Mehrkens will speak on the board's suggestions for redistricting, and Mr. Patrick Walsh of the San Jose Junior Chamber of Commerce will present the Jaycee proposal.

The LWV has held two workshop sessions on redistricting, under the chairmanship of Miss Hildreth Kotsch. The topic was adopted for LWV action by its County Council representing membership in four county Leagues, and states: "Support of adequate and equalized representation by a board of supervisors with county-wide point of view, and responsive to district needs."

A question-and-answer period will follow the talks by Mr. Merhkens and Mr. Walsh; then LWV members will divide into discussion units and work toward consensus. Membership agreement on the question will determine LWV action in the community.

Dinner will be served at 6:30 p.m. and the meeting will begin at 7:30 p.m.

Local librarian has many interests

Can you believe that Mrs. Beverly Booth, Campbell's popular librarian, once never cared to read? That was back when she was in the first grade. Then her parents took her to the library, and there the beautiful pictures in the books fascinated her so much, that she decided to find out what they were all about. From then on, she became enchanted with books!

A native of Iowa, Mrs. Booth is a graduate of Morningside College in Sioux City, Iowa and attended the University of Wisconsin Library School in Madison. She was a librarian in Iowa City before coming to California.

For ten years Mrs. Booth was a librarian in Fresno, and later became librarian in Cupertino. Mrs. Booth came to Campbell when the County opened its Campbell branch at its present location in 1962.

There are thirteen employees on her staff at the Campbell Library, which has the largest circulation of any branch in the county in the past year.

Mrs. Booth's favorite authors are Daphne DeMaurier and Mary Stewart. She prefers non-fiction, especially biographies and travel books. She is a great sports fan, and is especially interested in football, and hockey, as is her husband, Robert E. Booth, who is employed at the Hibernia Bank in San Jose.

Mrs. Booth and her husband would like to adopt an older child and devote more time to books and hobbies.

Service Club to meet with Mrs. Richardson

Mrs. W.Y. Richardson, 18940 Sunnybrook Court, Saratoga, will be hostess to the Women's Service Club of Campbell next Wednesday afternoon, February 26, at 2 p.m.

Co-hostesses with Mrs. Richardson will be Mrs. Mardis Compton, Mrs. Glenn Reinegger, and Mrs. L. Quinsland. Following a business meeting to be conducted by the president, Mrs. Harold Strickland, Miss Ruby Howes will show slides and speak on her recent trip through Europe.

DOGS AND SUPERSTITIONS

By Bob Bartos, Manager
Friskies Pet Food Research Center

Superstitions involving dogs have existed ever since man and dog first got together.

American Indians and Eskimos, for example, who used dogs as pack animals, attributed the shimmering lights of the aurora borealis to dog teams carrying away departed spirits.

In parts of Wales it was believed that if a white dog came near the home of a dying person, the soul would be saved, but if the dog was black, the soul was destined to everlasting torment.

In many countries there have been, and in some areas still are, superstitious beliefs that the howling of a dog heralds death. There are many versions of this belief, among them that two howls means a man's death, three howls, a woman's.

WRESTLERS IN ACTION--Carlos Zaragosa of Campbell High School grimaces as he pulls out of an arm lock by Watkins of Del Mar in a recent match. Campbell graplers have won the West Valley Athletic League Championship.

Varsity cagers lose to Braves

"SCARE" BRAVES: 61-48

The Campbell High Varsity Basketball game gave a good and well deserved "scare" to the league leading Blackford Braves. Losing by a 61 to 48 score, the Bucs played a much closer game than the score would expect. Led by the 21 points of Bob Burton, the Bucs were defeated by the balanced scoring of Bertrand (20 points), Connell (12 points), Autrey (11 points), and Rusev (10 points). Along with the superior height of Blackford, these two attacks stiffled the mighty Bucs. Campbell is now in third place, 3 games behind the undefeated Braves.

ON YMCA BOARD

Harry W. Colby, Campbell painting contractor, is one of 14 men installed recently on the board of managers of the Camp Branch of the Metropolitan YMCA of San Jose and the Santa Clara Valley.

One of four branches created under the "Y's" reorganization along metropolitan lines last year, the Camp Branch is charged with the responsibility of administering camping facilities and activities.
consist of the 65-acre Camp Campbell, located in the redwoods three miles north of Boulder Creek on Highway 9. Until now the camp has been administered by the downtown "Y".

Brains over brawn is theory of Coach MacDermott

"What! A math teacher coaching wrestling? Impossible!"

This is the situation of Rod MacDermott, advanced-mathematics teacher and wrestling coach for Campbell High School.

Coach MacDermott has earned a B.A. and Masters Degree at Colorado State College of Education and has coached wrestling for over 15 years, 7 of those years at Aurora High School in Aurora, Colorado and the 8 here at Campbell.

Coach MacDermott utilizes a "brain over brawn" type of wrestling and says "more matches can be won with skills than with muscles." This theory has proven most adequate for the Varsity Graplers have finished in the top 3 position every year Coach MacDermott has been here.

ROD MAC DERMOTT

This year MacDermott has won his second consecutive league championship in the WVAL and placed all thirteen of his Varsity Wrestlers in the top three positions.

"This year's team has shown great desire and willingness to learn," says Coach Rod MacDermott, and "this truly has been an extremely rewarding season."

Community Orchestra present concert April 3

The West Valley Community Symphony under the direction of Raynold Allvin, makes its debut April 3rd at 8:15 p.m. in the Campbell High School Auditorium. The orchestra consists of community musical amateurs and professional and non-professional musicians in the area and is under the auspices of the Campbell Adult education program.

Embracing a wide spectrum of musical history, the program will include Handel's music from "The Royal Fireworks", Mozart's Overture to "La Clemenza di Tito", Gliere's "Russian Sailor's Dance," "Symphony in D Major" by Sammartini, and the "Waltz's from Der Rosenkavalier" of Richard Strauss.

The group began rehearsal in January and since has grown to over fifty members.

"We hope that our group will help to give a musical outlet for men and women of all ages," remarked Allvin. "We have a good nucleus and it looks like we will grow into a fine community organization."

Car in creek; man uninjured

The Campbell Police Department is investigating a possible drunk driving charge against Steven Zarzynski, 4607 McCoy Avenue, whose vehicle went into San Tomas Creek at Harriet and McCoy Avenue Friday evening, February 11. Her car, a 1960 Corvair, received major front end damage.

TRUSTEES INSPECT

Mark Jennings, principal of the Sherman Oaks School in the Campbell School District, was complimented by the members of the Board of Trustees, on the condition of his buildings and grounds at Sherman Oaks. Campbell Union School District trustees conducted a two day tour of inspection of all facilities in the district. Eighteen schools were visited. The Board will do it all over again on March 12.

Boy Scouts

An original and imaginative skit about home hazards and the need for a "clean sweep" carried out the theme of "Family Alert" beautifully at Pack 377's January meeting at Hazelwood School by Mrs. Pigg's Den #1. Each boy depicted a hazard, such as a gasoline can, newspapers, oily rags, wood shavings, and a frayed lamp cord. After the showing of before and after posters by a Cub, a Cub Junior Fire Marshal swept the area clean. The Webelos demonstrated how to make various emergency phone calls. The other dens had either made a group poster or individual posters and told of the hazards pictured and how to prevent them.

Mrs. Katie Ross' Den #2 presented the colors.

Recognition for working on the Sustaining Membership Committee was given by the chairman, Mr. Albert Blood, to Messrs. Larry Pimentel, Jim Staggs, John Anderson, Bill Harrison, Martin La Velle, Edward Spehar.

Den #2 was awarded the attendance pennant and Den #5 was awarded the star for appearance.

Denners Bill Beyer and Tom Michaelk and Asst. Denners Ronald Rice and Randy Johnson told of some of their duties before receiving their stripes.

Billy Pigg was awarded his 1 year pin.

Webelos Scott Anderson, Robert Bruce, and Larry Gravatt told what cubbing means to them before they were awarded their Webelos Badge.

One year pins were awarded to Den Mothers Katie Ross and Lela Ageson.

Two year pins were awarded to Cubmaster Bob Ross, Asst. Cubmaster Lloyd Gravatt, Committee-Man Charles Bruce, and Den Mother Mrs. Helen Hilton.

Boys who received their Wolf and Bear Badges and gold and silver arrow points told of one achievement they did to earn these awards.

Wolf Badge: Paul Brown, George Jeffers, Tom Michalek, and Danny Blood.

Bear Badge: Stefan Neidziele.

Gold Arrow points: Mark Staggs, Tim Daly, Kenneth Pimentel, Steven Lopez, Stefan Niedziele, David Gaschk, and Scott Anderson.

Silver arrow points: Stefan Neidziele, David Gaschk, and Scott Anderson.

In keeping with the theme of the night, the Cubs and their fathers played a relay game, in which they had to put on and take off a sling.

In closing, the cubs formed living circles and said the Cub Scout promise, after which, each den gave their own yell.

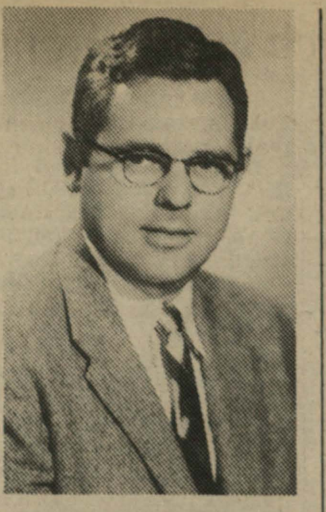
William Breuner named to Bank's board of directors



WILLIAM BREUNER

Elected to the Wells Fargo Bank board of directors at a recent meeting was William R. Breuner, president and general manager of the John Breuner Company.

Breuner, 38, is a native Californian and a graduate of the University of California.

He joined the John Breuner Company, retailers of home furnishings as a part-time employee in 1939 and on a full-time basis following graduation in 1949.

In April of last year, he was elected president and general manager of the company which is headquartered in Oakland and has branch stores there and in Berkeley, Campbell, Richmond, Sacramento, San Francisco, Stockton, and Vallejo.

Stockholders, at their annual meeting in San Francisco, took action leading to the payment of a 75 per cent stock dividend and an increase in cash dividends on the bank's stock.

The 75 per cent stock dividend, to be paid to stockholders of record as of February 14, 1964, was made possible by stockholder approval of an increase from 6 million to 12 million in authorized shares of Wells Fargo Bank capital stock.

Effective with the first cash dividend to be paid after distribution of the stock dividend, the annual dividend rate will be changed to $1.00 per share. This is equivalent to $1.75 per share on the present stock which now pays $1.60 per share per year.

Girl gets bike at right price

There was a happy ending for little Penny Clever last Saturday morning who had waited nearly two hours to bid $10 for a bicycle at the Police Department Auction of unclaimed articles and then lost it to a higher bidder.

Penny, daughter of Mr. and Mrs. C.M. Clever, 848 Kenneth Avenue, had only $10 to buy a bicycle, since hers was stolen several weeks ago. Although the local Police Department found the bike, it was beyond repair.

Bernie Burns, 1030 Linda Drive, Campbell, became the owner of the bicycle with his bid of $11. Realizing the situation, Burns told Penny's mother, Mrs. Frances Clever, "give me the ten dollars and the little girl can take the bike." With that he turned over the receipt and the bike to Penny.

Nelson collection to be shown at Villa Montalvo

Villa Montalvo cultural center near Saratoga, announces its March art show will feature early American and European paintings from the 17th to the 20th century. Loaned for this exhibition by Edwin C. Nelson of Los Gatos, the display will occupy two of Montalvo's largest galleries from March 1 to 31.

Completing the month-long show, another exhibit will consist of various articles of pottery made by students in the Montalvo ceramics classes instructed by Dr. Herbert Sanders, who also is a member of the San Jose State College art faculty.

On Sunday, March 8 at 2:30 p.m., Nelson will give a free lecture in Montalvo's Carriage House Theatre, detailing the world and travel involved in assembling the collection of art which will be on display. The galleries are also free to the public daily except Monday, when the center is closed to all visitors. Hours are 1:30 to 4:30 p.m.

The Nelson collection of period paintings includes portraits, landscapes and various other scenes made by some of the most noteworthy artists of the 400-year period covered, starting with the 1600s.

Three centuries of American art will be shown in the exhibit.

Gilbert Stuart, famed 18th century painter, will be represented by his portrait of William Wincham, Englishman; and two from the 19th century will be Robert Moran's Autumn In The Rockies, and Robert Henri's Spanish Girl From Segovia.

OUR TOWN

By Grace Hebard

Attractive Nancy Van Sickle, whose engagement to Ronald Day has been announced, was the guest of honor at two bridal showers. The most recent was a lingerie shower given by her cousin, Miss Christine Petersen of San Jose on February 14. Christine, who will be maid of honor in the bridal party, carried out the Valentine theme in her decorations. On February 6, Mrs. Richard Johnson of Cabana Drive was hostess at a linen shower for Nancy. Approximately 25 guests attended, and exclaimed over the beautiful buffet table centered with a dainty bride doll, and a pink and white bridal cake. Pink camellias and the silver candelabra and tea set added to the beauty of the table. Nancy, who is an elementary teacher at the Hamilton School, will be wed in April at the First Methodist Church in Campbell.

. . . . . .

In conjunction with Teacher Recognition Week, parents took over playground duties for the teachers at Moreland School last Thursday so that they could all go out for lunch as guests of the P.T.A. What a nice way to express their appreciation!

. . . . . .

The Harry Windells of 917 Walnut have sold their home and will be traveling east soon in their new mobile home....They'll be back, however, as they have to keep in touch with the grandchildren.

. . . . . .

Mrs. Dorothy Benevento, proprietor of Colleen's Fashions in the Campbell Plaza Shopping Center, is in San Jose Hospital for surgery. She expects to be "off the job" for six weeks. Her two daughters will be in charge while she is recuperating.

. . . . . .

Little Steve Nelson, the 8 year old youngster who fell from the 40 foot tree in a field on San Tomas Road two weeks ago, is showing improvement. He has been confined to the hospital ever since, and regained consciousness only last week. He is the son of Mr. and Mrs. Clifford Nelson of 1631 La Pradera Drive.

. . . . . .

Mrs. Alice Hansen arrived Valentine's Day from Peru, Indiana, to visit with her daughter and family, Mr. and Mrs. Richard Hess, 2231 Wren Way.

. . . . . .

John P. Kwasigroch, 190 No. Carlyn, who has been in Campbell Community Hospital for the past week, is much better, and should be going home in a few days.

. . . . . .

New in town...Dr. David Roberts, opening dental offices at 653 E. Campbell Avenue.

. . . . . .

Judith Ann Langen and David Hamilton exchanged wedding vows in the Los Gatos Presbyterian Church recently. The bride graduated from Campbell High School and San Jose State College. She will teach in the Campbell Union High School District. The bridegroom is employed with United Technology Center. They will make their future home in San Jose.

. . . . . .

Mervyn Ferreira, proprietor of the Towne Square Beauty Salon, walked off with the "Grand Masters trophy" at the Oakland Cosmetologists Association competition last week. He also took first place in the "open" competition. Proceeds from this event went to the Heart Fund.

Liquor store is burglarized

Party House Liquors, 478 E. Campbell Avenue, was burglarized Saturday, February 15, in the early hours. According to Campbell Police Officer Fred Furtaw who was on patrol, checking security in the area, the rear door to the business was found open about 1:30 a.m. A light bulb above the entry way had also been removed. Upon investigation it was discovered a heavy crow bar had been used to pry the door jam.

A large amount of whiskey and other beverages were stolen, according to the proprietor, Lester D. Davis, 17170 La Rinconada Dr., Los Gatos. No money or checks were missing, he reported. The Party House was also broken into on New Year's Eve. Police are continuing the investigation.

Precinct workers to be honored February 28

Assemblyman George Milias (R-Gilroy) announced today he will sponsor a dinner for precinct workers and other supporters in the 22nd Assembly District. The district covers the west side of Santa Clara County and is one of three assembly seats in the county.

In making the announcement, Assemblyman Milias said, "At this time of year, it is customary for both political parties in California to raise funds for campaigns. However, at this time, I am anxious to express my gratitude for the tireless efforts put forth by Republican precinct workers and other volunteer supporters who contribute so vitally to the political interests of my district".

Milias said the dinner will be held at Ricky's Hyatt House in Palo Alto on the evening of February 28th. He added that although the program hasn't been firmed, it will consist of a number of well known authorities from various fields including comedy, literature, sports and politics.

"I know how tired people get of hearing straight political talks, so we decided to get together noted people from various fields who can present an entertaining program as well as an instructive one," continued Milias.

Chairman for the dinner will be William B. Clayton, well known Los Altos businessman. Assisting will be Mrs. Ellis Litzinsky of Campbell.
